

Let's start with the dates

- Often it is easiest to start with the date you need products and work backwards. An MBS rep will review and revise delivery possibilities for proper expectations.
- Best results when store is open for only 1-3 weeks [longer seems to lessen urgency]

Store Name: _____

Should be unique and recognizable by membership. Example Sample High School Marching Band

Store Open Date: _____

Store Close Date: _____

Product Delivery Date: _____

Classification

Items

Director's Message

Now let's look at the different groups within your program (Classifications), the items they will need (Products), and your message to the each group (Message).

Suggested Message to Leave for Each Category

- All Freshmen and new members will need the items listed. You will need these items before the first performance so be aware of the dates ! Remember that all items will be delivered to the school for distribution. Yes, you will need a minimum of 2 pairs of gloves !
- All Returning members will need the items listed. You will need these items before the first performance so be aware of the dates ! Remember that all items will be delivered to the school for distribution. If you think you already have these items, you must check to be sure they are in your closet and are in proper condition to perform and to last the season. And, Yes, you will need a minimum of 2 pairs of gloves !
- All Guard members will need the items listed. You will need these items before the first PRACTICE so be aware of the dates ! Remember that all items will be delivered to the school for distribution. If you think you already have these items, you must check to be sure they are in proper condition to perform and to last the season.
- All Percussion members will need the items listed. You will need these items before the first performance so be aware of the dates ! Remember that all items will be delivered to the school for distribution. If you think you already have these items, you must check to be sure they are in your closet and are in proper condition to perform and to last the season. And, NO, you do not need gloves !
- The items listed here are optional. We would like for you to have these items in the school colors and with the band imprint but they are NOT required items.

Or any other message or information you wish to provide for each category

Send your completed form to info@mybandstuff.com. We will review to make sure all products are available and timing is possible. If we need additional information about product types we will contact you. Allow approximately 48 hours for your store to be set up for you to review. Upon your approval we will activate the store for student purchases. (Note: we will provide you with a standard letter to notify and instruct students for purchasing.
